

CONTOUR

ALL-IN-ONE TYRE TREATMENT

Long Lasting Finish:

Waterproof tyre conditioner for extended life display for cars, trucks and coaches.

Excellent Coverage:

Wets out to tyre surface without effort.

Fast Drying:

For rapid vehicle turnaround.

High Lustre:

Non tack finish.

Surface Friendly:

Non-aggressive solvent blend will not mark surrounding paintwork, plastics or wheel trims.

Versatile:

Can be used with cloth, brush or spray.

User Friendly:

No harsh solvent odours.

Directions:

Apply with brush (or trigger spray) and allow to dry.

NOTE Do not use on any driving controls (e.g. rubber pedals or rubber mats).

Not suitable for spraying in body/paintshop environment. Do not use on motorbike tyres.

If spray application is required in a paintshop environment use Drive (waterproof) or Outline (water based) tyre dressing.
