

MAC ZEUS

The Hot Diesel Driven Pressure Washer

- 12v burner system
- High efficiency MAC boiler system
- Yanmar L100N Diesel Engine
- Robust steel frame

ZEUS

KEY SPECIFICATION

Diesel Hot Water Mobile

18ltr/min Water Flow

160bar Pressure

Diesel Powered

Automatic Stop/Start System

MAC ZEUS

STANDARD FEATURES

- Yanmar L100N 6C air cooled diesel engine
- 12v burner system
- MAC high efficiency boiler system
- Professional Interpump with ceramic pistons
- Automatic stop/start system
- Gearbox reduction for 1450rpm
- Electric engine start with key switch
- High pressure chemical system
- 2 large pneumatic wheels
- 2 heavy-duty lockable castor wheels
- 31lt easy fill fuel tank
- 4.7lt diesel tank for engine
- 6lt/hour fuel consumption
- Robust steel frame and chassis
- Burner on/off switch and thermostat control

ZEUS2

Water Flow	18lt per minute
Pressure	160bar, 2350psi
Engine	Yanmar 10hp, 7.4kw
Chemical	High Pressure
Fuel Source	Diesel
Shutdown System	Auto Stop/Start
Temperature	0-100 °C
Weight	275kg
Dimensions (h x w x d)	110 x 80 x 140cm
