

TAR & GLUE REMOVER

PERFORMANCE SOLVENT BLEND FOR RAPID REMOVAL OF ROAD TAR 'SPATTER'

Rapid Action:

Rapidly dissolves and removes all oil-based deposits from paintwork eg. bitumen, tar 'spatter' grease, oils, glues.

Stubborn Wax:

The ideal 'first aid' for P.D.I. Departments for removing stubborn delivery wax.

Easy and Safe:

Unique blend of solvents gives user good working time – will not dry too quickly

Directions:

- **N.B. Do not apply onto newly applied paint finishes or sensitive plastic trim eg light clusters.**

Avoid over application which may soften some surfaces. If in doubt whether a surface will stand cleaning, always check an inconspicuous area before general treatment.

- For Plastic Safe Tar & Glue Remover use Clear-Off #143.

Application:

Apply with soft absorbent cloth or trigger. Rub surface gently until residue is dissolved and lifted away. After treatment, rinse area using sponge and water.

Typical Specification :

Composition	: Mixed aromatic hydrocarbon solvent blend.
Appearance	: Clear liquid
Colour	: Water white
S.G.	: 0.855
Odour	: Mild aromatic
F.P.	: 46°C
Shelf Life	: Minimum 4 years in unopened containers at ambient temperature.
Packaging	: 5L metal containers.

CODE: 111
